• Scripting: Basic Bash scripting

• Database: MySQL

• Tools: Git, Linux Command Line

• Programming Languages: C, C++,

HTML, CSS, PHP

LANGUAGE

English

Malayalam

About Me

I am a first-year BCA student with a strong interest in mobile application development and cloud technologies. I am eager to apply my academic knowledge to real-world projects and enhance my technical skills. I am a quick learner with good problem-solving abilities and a passion for continuous improvement. I am seeking an internship opportunity to gain practical experience and grow in the field of technology.

PROJECTS

Gift Suggestion System (HTML, CSS, PHP)

- Developed a web-based system to suggest gift to the user
- Implemented user input handling and dynamic recommendations using basic logic and filtering

File Metadata Viewer and File Management Tool (C++)

- Built a tool to search files and display metadata across directories
- Implemented file deletion and system-level operations

SOFT SKILLS

- Problem solving mindset
- Willingness to learn quickly
- Communication skills
